

**ACADEMIC  
PETITION**

**Department of Earth & Environmental Sciences  
260 Brehm Lab  
(937) 775-2201**

---

Your petition is a request that a Department of Earth and Environmental Sciences regulation be waived. Please provide the information below and complete the form on the reverse side. State your petition clearly and precisely after you have consulted with your advisor. Your petition need not be typed; however, if your handwriting cannot be interpreted or your request is not clearly written; the petition will be returned to you for clarification. If you are asking for a waiver of more than one policy, please use a separate form for each request. If additional space is required for your comments, please attach a separate sheet along with all supporting statements or data (instructor's comments, doctor's statements, syllabi, etc.) to this form. For graduate students, a current and accurate program of study must be on file before your petition will be considered.

After obtaining your advisor's endorsement, return the completed petition form to the Department of Earth & Environmental Sciences, **(Attention: Mary Ann Layman at [mary.layman@wright.edu](mailto:mary.layman@wright.edu))**. The processing time of your petition is dependent on the meeting dates of the respective committees. Consequently, it is difficult to predict when a final decision will be made. Please note that Committees do not meet during breaks or in the summer months. You will receive written notification of the final decision.

If you have any questions concerning your petition or the petition process, please contact either Abinash Agrawal, Chair of the Graduate Studies Committee or Songlin Cheng, Chair of the Undergraduate Studies Committee.

**THIS FORM IS A DEPARTMENTAL FORM AND IS NOT TO BE USED FOR PETITIONING FOR ADMISSION OR READMISSION TO THE SCHOOL OF GRADUATE STUDIES OR FOR PETITIONS OF GRADUATE SCHOOL REGULATIONS.**
