Course Description:
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________

(Note: You must attach a course syllabus that is as close as possible to the course at the time it was taken. If that course syllabus is not available, a syllabus as close as possible to the course at the time it was taken is needed plus a description of how the course was different when you took it.)

Course equivalent (ES PhD Program): ____________________________________________

__________________________________________ (Approved signature Program Director) (Hours accepted) (Date)
