The psychology minor serves to meet the needs of students who would like a better understanding of psychological processes. Students in a wide variety of majors may benefit by supplementing their knowledge and skills with a stronger background in psychology. The minor is flexible so that the subsets of courses appropriate for particular majors may be selected. Students may find that the psychology minor enhances their educational goals. (NOTE: At least nine hours of the minor must be completed at Wright State.) To speak to a COSM advisor, email [cosm-advisors@wright.edu](mailto:cosm-advisors@wright.edu) for an appointment.

# ***PSYCHOLOGY CLUSTERS***

The course work listed below is suggested for students who have an interest in psychology but do not wish to declare a full minor. These clusters cover psychological as well as managerial and human resource topics. They will also help to prepare students to work in business settings. They can provide students with content knowledge of the field of psychology and help students to develop skills necessary to productive work environments.
