The psychology minor serves to meet the needs of students who would like a better understanding of psychological processes. Students in a wide variety of majors may benefit by supplementing their knowledge and skills with a stronger background in psychology. The minor is flexible so that the subsets of courses appropriate for particular majors may be selected. Students may find that the psychology minor enhances their educational goals. (NOTE: At least nine hours of the minor must be completed at Wright State.) To speak to a COSM advisor, email cosm-advisors@wright.edu for an appointment.
