The psychology minor serves to meet the needs of students who
would like a better understanding of psychological processes.
Students in a wide variety of majors may benefit by
supplementing their knowledge and skills with a stronger
background in psychology. The minor is flexible so that the
subsets of courses appropriate for particular majors may be
selected. Students may find that the psychology minor enhances
their educational goals. (NOTE: At least nine hours of the minor
must be completed at Wright State.) To speak to a COSM
advisor, email cosm-advisors@wright.edu for an appointment.
